**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I use a competitive provider of internet in my area. The dominant providers are Comcast and AT&T and I've tried both of them and they're bad. They price-gouge and have terrible service.

I'm a computer science phd, so you can imagine that having working internet is critical to both my professional and personal life.

I am not using fiber right now. I have competitive DSL service.

I support broadband competition.
